PROFESSIONAL SUMMARY

Highly skilled and motivated Full Stack Web Developer with a year of experience in designing and developing responsive web applications.

Seeking a challenging position where I can utilize my technical expertise to contribute to the success of a dynamic organization.

PROJECTS

◆ Portfolio Website

The Portfolio Website is a responsive and interactive web application developed using ReactJS, a popular JavaScript library for building user interfaces. This website serves as a showcase of my skills, experience, and projects.

Features :

- Modern and visually appealing design with a clean and intuitive user interface.
- Responsive layout ensuring optimal viewing experience across devices and screen sizes.
- Contact form enabling visitors to get in touch with me directly.

Tech Stacks :

ReactJS | HTML | CSS | JavaScript | React Router | Bootstrap | Axios | GitHub

◆ ZippShipp E-commerce Website

The E-commerce Website is a robust and user-friendly online shopping platform developed using ReactJS, a powerful JavaScript library for building interactive user interfaces.

Features :

- User-friendly interface with intuitive navigation, search functionality, and well-organized product categories for easy exploration.
- User authentication and secure login functionality for personalized shopping experiences, order tracking, and account management.
- Admin panel for managing products, categories, inventory, and user accounts.

Tech Stacks :

ReactJS | HTML | CSS | JavaScript | React Router | Redux | Axios | MongoDB

EXPERIENCE

Jr. Application Developer Intern

Virtuzo Infosystems Pvt. Ltd.

Jan/2021 - Aug/2021.

- Developed and maintained full-stack web applications using HTML, CSS, JavaScript, and server-side languages.
- Utilized front-end frameworks like AngularJS and ReactJS to enhance user interfaces.
