OBJECTIVE

Detail-oriented and innovative Frontend Web Developer with 3 years of experience in creating visually appealing, user-friendly, and responsive websites and applications. Proficient in HTML, CSS, JavaScript, and modern frameworks such as React and Angular. Seeking to leverage my skills in a dynamic team environment to enhance user experience and drive the development of cutting-edge web solutions.

PROFESSIONAL EXPERIENCE

The Mind Collective   **Jul 2023 - Present**
Frontend Web Developer
I am a Frontend Web Developer at The Mind Collective in India, developing and maintaining web applications. I gained valuable experience in software development and working with clients there.

Realmco Pvt. Ltd.   **Oct 2021 - Apr 2022**
Frontend Web Developer
During my time as a Jr. Web Developer at Realmco Private Limited, I gained hands-on experience with programming languages while working on various web development projects. I collaborated with a team of developers and designers to create dynamic and user-friendly websites for clients.

Virtuzo Infosystems Pvt. Ltd.   **Jan 2021 - Sept 2021**
Jr. Web Application Developer Intern
Worked as a Jr. Web Application Developer Intern at Virtuzo Infosystems Pvt. Ltd. India for 8 months and full-time for 1 month. Gained industry knowledge and hands-on experience developing, modifying, and maintaining web-based applications.
